HEARTWARMING FEEDBACK ABOUT WHAT SNOWSTORM MEANS...

"Words cannot express how taken back I am by how generous the AVPSO and ACV parents are. I was brought to tears when I opened my box and saw the check that we all received. This money helped my family have a blessed Christmas!! Thank you all for all of your generosity and support!"

"The after effects of Snowstorm lingered long after the luncheon. For the remainder of the week I heard teachers sharing how they were going to use the money - and more often than not in ways that brought them closer to family and friends over the holiday."

Did you know you that the song *Sleigh Ride* (L. Anderson) was written in July in the middle of a heat wave? Fun fact courtesy of Archway music teacher, Ms. Anna Volodarskaya.
